Kent, TN14 7RP (Please do not rely on satnav, it has trouble finding it. Use a map.)

Beeline Taxis 01732 456214)

Trains leave approximately every twenty minutes from London Bridge and London Victoria to Shoreham, Otford and Sevenoaks. From Sevenoaks regular trains will take you the short distance to Shoreham. You can also get fast trains to Sevenoaks from other London Terminals such as Charing Cross and Waterloo.

**Walking from Shoreham Station-** Go down the stairs to the right as you come out of the station, turn right and follow that road down the hill past the entrance to the golf course on your left. On your left, about 50 yards after the golf course car park, there's a footpath through the wood, across the golf course and the cricket pitch. When you get to the track after the cricket pitch turn right. At the fork in the road take the left lane with the sign pointing to the 'Quadrangle'. Come through the gate at the bottom of the hill and into the yard. Approx 12-minutes.

**Walking from Otford Station:**

Come out of the station building, with the car park on your left, turn right and follow the road out from the station on to the main road. Turn left and walk 70 yards to the roundabout/the Woodman pub. Cross to the right side of the road and continue past the Crown pub and down the High Street. About 40 yards past the Crown turn right following the lane which will take you out of the village. When the lane turns sharp left continue straight on through the gate following the footpath and bridle path signs. Continue on this path through the fields and golf course until you reach a tarmac lane. Turn left and then, at the fork in the lane, take the left fork following the sign to The Quadrangle. Come through the gate at the bottom of the hill and into the yard. Approx 25 minutes.

**Driving From London-** After Blackwall Tunnel A20 or M25. A20 follow signs to West Kingsdown, Farningham (DON'T continue onto the M20). Or M25 exit following signs to Brands Hatch and A20 (not M20 exit just before A20/Brands Hatch exit). From the A20 turn right onto A225 (signposted to Eynsford and Otford). The sharp right turn to the Quadrangle is about half a mile after Shoreham station, opposite Fackenden Lane. As you go down the lane and through the golf course there's a fork in the road- take the left lane with the sign pointing to the Quadrangle. Come through the gate (it opens automatically) at the bottom of the hill and follow the parking signs.
